

Before You Hire Any Service – Ask Questions

1. Do you have a license for the work you do? Do you have insurance?
2. Have you done this type of work before? Do you have photos or references I can call?
3. Are you familiar with the building code regulations in this location?
4. How much will the job cost? Will cost include labor and materials?
5. Will you put your cost estimate in writing?
6. If you charge by the hour, will you charge for time picking up materials at the store? If so, at what rate?
7. What is the payment arrangement?
8. When can you start? When will the job be done?
9. Will you call me if you're delayed in showing up on time?
10. Will you clean up the work area each day while work is in process?
11. Will you obtain the necessary building permits to do the job?
12. Do you guarantee your work? Will I get it in writing?
